

Why Talk Matters

Improving children's prospects & lives

How To SHARE POWER?

Higher balance of the children talking (Anthony Forrest)

As the teacher... I'm going to spend more TIME LISTENING

I'm going to trial some new methods

A question of Equity

Using thinkspip instead of 'hands up!'

Developing learning environments

Give teachers space & time to CHANGE

Taking a strong lead

Developing a shared & understanding

If I feel safe I'll be more easily be less anxious

Investing in children's FUTURES

We all just want to do our BEST!

COMMUNICATION is about enable & receiving messages to as many people as possible!!

MAXIMISING SAFETY for young people!

I don't want to fall behind... please help me!

Help me BELONG!

What excites me is... the chance to collaborate further!

What resonated with you?

Have you tried...

5 year olds with vocabulary difficulties are twice as likely to be unemployed in adulthood

Let's give every child the chance to flourish

60% of young offenders have low language skills

We can reduce a child's risk of exclusion

Learning to communicate BETTER!

I agree with... I disagree with...

I'm just judging myself against myself

Thanks for improving all our futures!

Small changes BIG DIFFERENCES

What other small changes can teachers make?

I need HELP!

BRavery

I don't get it... will you explain it again?

This will lead to better outcomes in London

A chance for professional development!

Importance of peer learning

Co-design & Collaboration across Schools and boroughs

Have you tried...

What resonated with you?

Building SELF-CONFIDENCE & TAKING RISKS

None talk time

I feel listened to! I feel for career path & listened to!

Success BREEDS SUCCESS

This raises our self-esteem!

I'm here to empower YOU & help you speak UP

How are you transferring this to the home environment?

As teachers we do have CHOICES!

A lot of what we teach isn't sticky!

Thank you for taking part!

COLLABORATING WITH YOU!

Have you tried...

What resonated with you?

Importance of peer learning

CREATE Emotional Safety

Using thinkspip instead of 'hands up!'

Learning to communicate BETTER!

I agree with... I disagree with...

I'm just judging myself against myself

Thanks for improving all our futures!

Small changes BIG DIFFERENCES

What other small changes can teachers make?

I need HELP!

VALUING THE VOICE OF EVERY CHILD!

How can you add that extra support?

How are you transferring this to the home environment?

As teachers we do have CHOICES!

A lot of what we teach isn't sticky!

Thank you for taking part!

CHALLENGES?

Capacity: Give teachers some options to trial and give it TIME

What about SEND schools? This can still be applied.

Am I training my teachers for my students?

What's the impact over TIME?
