

Year 1 Autumn 1

What makes Abbey Wood special?

Visit

We will be walking around our local area. This will be linked to our geography topic where we will be looking at the physical and human features of Abbey Wood.

Hook

The children will receive a letter and parcels from different fairytale characters.

Learning Outside of the Classroom

The children will explore different plants within the school environment.

What makes Abbey Wood special?

English

This term in writing, we will be learning about fairytales. The children will be writing their own letter from the big bad wolf to the three little pigs apologising for blowing their houses down.

Maths

Our first topic in maths will focus on getting children to explore numbers to 10. This will involve the children sorting and counting objects as well as being able to count both forwards and backwards from any number within 10. Following on from this, they will use these skills to help them solve addition and subtraction calculations within 10.

Science

This term in science we will be learning about the basic needs of plants. We will be looking at the different parts of a plant (leaves, stem, flower and root) as well as exploring which condition is the best for a plant to grow and survive.

Geography

This term, we will be looking at our local area and discovering both the human and physical features in which they live in. The children will use their findings from the trip to help them carry out basic map work of their local area.

Art/DT

In art our focus is painting. We will develop skills to allow us to use paint effectively and learn about primary and secondary colours.

Music

In music, we will be taught to sing with increasing confidence and control. We will develop an understanding of musical composition and singing together collaboratively.

Computing

Pupils will be learning about using ipads and safety on the internet through the 'Myself Online' programme of study.

R.E.

In RE, we will be learning different religious stories with a focus on Christianity and sharing stories to explain how Christians think of God.

P.E.

In gymnastics the children will be practising balancing and spinning on points and patches.

Personal Development

In personal development, we will be learning about roles of different people who care for us and how to promote kindness and care to the people around us.

Core Books
