

Year Group: 3 Term: Spring 1

Big Question: Why do natural disasters happen in certain parts of the world?

Hook

We are going to be volcanologists who are a type of geologist who focuses on understanding the formation and eruptive activity of volcanoes.

Key Dates

Trip to National History Museum 28.01.25

Safer Internet Day – 11.02.25

Last Day of Term – Thursday 13th February 2025

INSET DAY Friday - 14th February 2025

Redwood sharing assembly – Friday 4th April 2025

Subjects

English

In writing, we will be reading 'Escape from Pompeii' as our core text and will write an action story detailing the eruption and how it affected those within Pompeii.

Maths

In Maths, we will be continuing our learning of multiplication and division before moving on to length and perimeter

Science

In Science, we will learn about the layers of the Earth and how continents sit on plates. We will also explore how these plates cause friction and create volcanoes.

Geography

In Geography, we will learn about the layers of the Earth and how continents sit on plates. We will also explore how these plates cause friction and create volcanoes.

Art/DT

In Art, we will be exploring Andy Warhol and his pop art work. After analysing his work, we will then begin to incorporate his techniques into our own work.

Music

In Music, we will be diving into the world of Reggae music.

Computing

In Computing, the children will be diving into the world of AI and looking at creating their own personal AI bot.

R.E.

In RE, children will be discovering why the Bible is important for Christians.

P.E.

In PE, we will be learning the rules of cricket and developing our bowling, batting and catching skills. For indoor PE, we will be creating our own dance.

Personal Development

In Personal Development the children will be learning about health and relationships. We will look at money and work.

Core Text
